

**Lenora Water and Sewer District (LWSD)
Lancelot Well Source Improvement Project
WATER TREATMENT PLANT**

INVITATION FOR BID

Sealed bids will be received by the Lenora Water and Sewer District, located at 1091 Lenora Drive, P.O. Box 297, Usk, WA 99180, until 1 P.M. on September 10, 2013 for construction of a 40 gpm oxidation filtration municipal water treatment system to reduce Arsenic, Iron, Manganese and provide disinfection in water produced by two (2) existing groundwater well sources. Bids will be opened and publicly read aloud immediately following the close of bid receipt. No late or faxed bids will be accepted.

A pre-bid conference will be held at 10 A.M. on August 27, 2013 at the LWSD office located at 1091 Lenora Drive, Usk, WA 99180.

The project consists of, supply and install treatment plant equipment in new pumphouse building to be constructed by others through separate contract with LWSD, coordination before, during and after construction, and system commissioning/start up. A complete description of project approach and requirements is provided in the project bidding documents.

Bidding documents for the project are prepared by North Engineering and Surveying.

Availability of bidding documents: Bona fide water treatment providers may be purchase bidding documents from Standard Digital located at 256 West Riverside Avenue, Spokane, WA 99201, Phone (509)624-2985.
